Product listing

Forged Steel Gate / Globe / Lift Check valve

- Manufactured as per API 602 / BS 5352
- Constructed of Forged Carbon Steel A105
- IBR approved valves available
- Stellite Seat / Disc offered
- Valves available in drop Forged Alloy Steel F5, F9, F11, F22 as per Client requirement
- Also available in drop Forged Stainless Steel F304, F304L, F316, F316L, F321, F321H, as per Client requirement
- Testing Code MSS SP 61/ BS 6755/API 598

Forged Steel Gate/Globe/Check Valves

1/2" – 2" Rating 800#
1/2" – 1 1/2" Rating 1500#
1/2" – 1" Rating 2500#

Cryogenic Gate/Globe/Check Valves (Carbon Steel, Alloy Steel, Stainless steel, LTCS, LCB)

1/2" – 1" Rating 800#, 900#, 1500#
2" – 14" Rating 150#
2" – 12" Rating 300#
2" – 8" Rating 600#

Cast Steel Gate / Globe / Check Valves

- ANSI class 150#, 300#, 600# & 1500#
- Manufactured as per API 600, BS 1873 & BS 1868
- Available in Cast Stainless Steel, Alloy Steel & Carbon Steel
- Stellite Seat / Plug offered
- Available in Cast Alloy Steel C5, C12, WC6, WC9 as per Client requirement
- Also available in Cast Stainless Steel CF3, CF3M, CF8, CF8M, CF8C, & CF10 as per Client requirement
- Low Temperature & Cryogenic Valves available as per demand

Cast Steel Gate Valves

2" – 48" Rating 150#
2" – 36" Rating 300#
2" – 24" Rating 600#
2" – 10" Rating 900#
1500#, 2500#

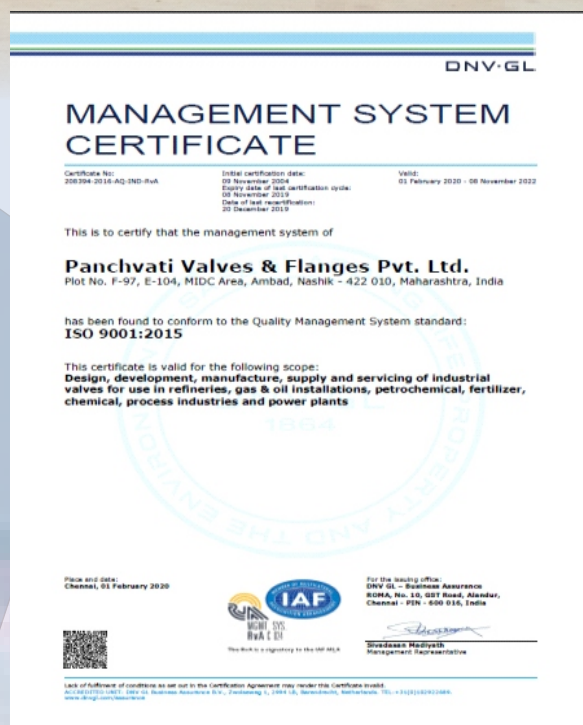

Cast Steel Globe Valves

2" – 26" Rating 150#
2" – 20" Rating 300#
2" – 16" Rating 600#
2" – 6" Rating 900#
1500#, 2500#

Cast Steel Swing Check Valves

2" – 30" Rating 150#
2" – 24" Rating 300#
2" – 24" Rating 600#
2" – 6" Rating 900#
1500#, 2500#
